WOMEN FASTPITCH SOFTBALL
EUROPEAN CHAMPIONSHIP 2003

Caronno Pertusella, March 20th, 2003

Dear President,

We are getting near the XIII Softball European Championship which will take place in Saronno and Caronno Pertusella from the 6th to the 12th July 2003.

Media accreditation

The Organizing Committee and the Italian Baseball and Softball Federation Press Office are preparing a media center; therefore they need to have some information from your Federation.

First of all we would like to have indications on the number of journalists of your country who will arrive to Italy for the event: we enclose an application for media accreditation.

We would be grateful if you would also forward this letter and its attachment (Form F) to televisions, radios and web sites managers of your country.

The list of the attending journalists is required by May 1st in order to arrange everything at the best.

Media Guide

We also would like to inform you that the Italian Baseball and Softball Federation Press Office is preparing a media guide, that will contain:

- team rosters
- tournament schedule
- special event information
- media services information

To this purpose, we ask to respect the deadline of June 7th to send the list of accredited persons **together with the team roster** (Form C of Bulletin n.1 and Form E annexed to this letter). The e-mail address of the head press office of your Federation will also be extremely useful.

The attached forms are also available on the Championship web site www.eurosoftball2003.org

With warm regards.
